

DEALER INFORMATION

If are you an established antique dealer or an incurable collector with passion that exceeds your storage space, we invite you to join our community of dealers at the New Paris Antique Mall!

Renting booth space at NPAM is affordable, fun, and a great way to earn some extra income from your overstock of antiques. If you're new to the business, we would love to help you get started!

Here's how it works: We offer booth space for a low monthly rent of \$1.00 per square foot with a minimum space size of 49 square feet. (No commission fees charged!) All rental agreements are month-to-month. Simply inquire for more information.

Dealers stock, price, display, and manage their own inventory. We take care of the sales, tax collection/payment, and dealer payouts once a month. We host periodic pizza party/work nights for our dealers to come in after hours and update their booths and enjoy networking with one another.

We have a generous advertising with a sign on I-70, tourist highway signs on St. Rt. 40, numerous regional and national publications, as well as social media/internet marketing. We work hard to market your antiques and increase your profitability!
