

If you are an established antique dealer or an incurable collector with passion that exceeds your storage space, we invite you to join our community of dealers at the New Paris Antique Mall!

Renting booth space at NPAM is affordable, fun, and a great way to earn some extra income from your overstock of antiques. If you're new to the business, we would love to help you get started!

Here's how it works: We offer booth space for a low monthly rent of \$1.00 per square foot, with a minimum space size of 49 square feet. (No commission fees charged!) Space is currently available in our basement and third floor, or you may join our waiting list for first or second floor space. Lighted and locked showcase space is also available. Simply inquire for more information. All rental agreements are on a month-to-month basis.

Dealers stock, price, display & manage their own inventory. We take care of the sales, tax collection and payment, and dealer payouts once a month. We host a bi-monthly pizza party/work night for our dealers to come in after hours and work on their booths and enjoy networking with one another.

We have a generous advertising budget, including a billboard on I-70 tourist highway signs on St. Rt. 40, and numerous regional and national publications. We work hard to market your antiques and increase your profitability!
